STANFORD, KY., FRIDAY, NOVEMBER 22, 1907.

NO. 76.

## MIDDLEBURG.

F. L. Jones bought of Riffe & Tucker a small bunch of hogs at 4c.

Most of the corn in this section has been cribbed and the crop is good.

The turkey trade is quite lively here. The crop is good and the price in proportion.

The hounding of Gov. Beckham by Watterson and the Courier Journal will lose that paper a number of subscribers here. Democrats say they will no longer support the paper.

Mrs. F. L. Jones and U. S. Tapscott went to Linn Wednesday to see Mrs. John Gibbons, who is quite sick. Miss Minnie Shannon, of Junction City, and Mrs. P. H. Taylor, of Danville, spent Saturday and Sunday with Mrs. Martha Fogle. Sam Jones started for New Mexico Tuesday to spend the winter for his health. His father accompanied him to Louisville. Prof. D. E. Fogle was at home from Georgetown Sunday. Rev. W. G. Tilford is at Eubanks holding a protracted meeting. The new Methodist pastor, Rev. Hunt, has moved into the parsonage. Dave Allen was here Tuesday. Tom Gooch, of McKinney, is here buying turkeys.

## A Hard Debt to Pay.

"I owe a debt of gratitude that can never be paid off," writes G. S. Clark, of Westfield, Iowa, "for my rescue from death, by Dr. King's New Discovery. Both lungs were so seriously affected that death seemed imminent, when I commenced taking New Discovery. The ominous dry, hacking cough quit before the first bottle was used, and two more bottles made a complete cure." Nothing has ever equaled New Discovery for coughs, colds and all throat and lung complaints. Guaranteed by Penny's Drug Store 50c and \$1. Trial bottle free.

"A man should think twice before he speaks."  
"And a woman three times before she sings."—Harper's Weekly.

For sale by all Druggists.

## In Old Kentucky.

Note.—Kentucky went Republican by something like 17,000.

Oh, Lords and Masters of the Polls, And lovers of tradition, What means the solemn knell that tolls Kentucky's changed position?

What say the spirits of the just, Made good by dissolution Into the dark and bloody dust Of ancient institution?

Shall Bluegrass turn to common green, In all her pastures famous, And erstwhile fat stock, turned to lean, By their condition shame us?

Shall good old Bourbon lose its taste, Its vigor and complexion By this disastrous, dreadful waste Of olden-time perfection?

Shall horses that have led the vans Of races in all races, Fall back among the also-rans, Or strain for second places?

Shall Old Kentucky's women, now, The fairest of creation, To other women's beauty bow And take a lower station?

Shall all her gallant gentlemen By this thick gloom be shaded— Her statesmen seek the hermit's den, Her Colonel's be degraded?

Ah, Lord's and Master's of the Polls, By this absurd transition You've shot her glory full of holes And murdered her tradition.

Divided by your votes she falls With crash of falling thunder; Ho, Lord's and Masters of the Polls! You'd better stand from under.

—New York World.

When the stomach, heart or kidney nerves get weak, then these organs always fail. Don't drug the stomach, nor stimulate the heart or kidneys. That is simply a makeshift. Get a prescription known to druggists everywhere as Dr. Shoop's restorative. The restorative is prepared expressly for these weak inside nerves. Strengthen these nerves, build them up with Dr. Shoop's restorative—tablets or liquid—and see how quickly help will come. Free sample sent on request by Dr. Shoop, Racine, Wis. Your health is surely worth this simple test. Penny's Drug Store.

At the head of this column is the party's nominee for United States Senator. The nomination was made in a most desirable manner in one of the most memorable primaries ever waged in this Commonwealth. That it was conclusive none can doubt. That it was without blot or fraud its bitterest enemy does not nor can not question.—Shelby Sentinel.

## A Methodist Minister Recommends Chamberlain's Cough Remedy.

We have used Chamberlain's Cough Remedy in our home for seven years, and it has always proven to be a reliable remedy. We have found that it would do more than the manufacturers claim for it. It is especially good for croup and whooping cough.—Rev. Jas. A. Lewis, pastor Milaca, Minn., M. E. church. Chamberlain's Cough Remedy is sold by all Druggists.

After hitting 13,066 flying blocks without a miss, Capt. A. H. Hardy stopped his rifle shooting demonstration at Lincoln, Neb. A judge had to leave and this stopped the shoot. Hardy was striving for a 20,000 record. The world's record was formerly held by C. W. Topperwein, of San Antonio, who secured 8,862.

## A Significant Prayer.

"May the Lord help you make Bucklen's Arnica Salve known to all," writes J. G. Jenkins, of Chapel Hill, N. C. It quickly took the pain out of a felon for me and cured it in a wonderfully short time." Best on earth for sores, burns and wounds. 25c. at penny's Drug Store.

Now the midas touch of autumn turns the woodlands into gold, and the chill wind through the tree tops seems to sigh; every zephyr breathes a memory that to me will ne'er grow old, and I long for just one home-made pumpkin pie. O, my! Of the days of auld lang syne, I sigh.—Somerset Journal.

### Democratic Ticket.

For United States Senator,  
J. C. W. BECKHAM.

PROMINENT Eastern Democrats have suddenly turned to Senator John Warwick Daniels, of Lynchburg, Va., as a possible Moses to lead the Democracy into the promised land. Colonel Harvey puts Senator Daniel on the front page of Harper's Weekly this week as a presidential possibility of potential power. Senator Daniel is a lifelong Democrat, born in 1842. He was a second lieutenant in the Confederate army, was wounded in the first battle of Manassas, received promotion until he became major and chief of staff of General Early, with whom he served until crippled in the Wilderness May 6, 1864. He studied law and immediately upon entering practice busied himself with politics. From the Virginia Legislature he passed to the National House of Representatives in 1884. He was elected to the United States Senate and took his seat March 4, 1887. He has continually served in the Senate ever since. His term of office does not expire until March 3, 1911. It is notorious that many Democrats believe a candidate should be chosen from the Middle South. In addition to this territorial argument Senator Daniel can have the advantage beyond his boom of long experience and strong ability. What an excellent president he would make.

THE Lexington woman who hoarded her money in a sugar bowl and had it stolen, deserved her bad luck. It would have been much better to have put it into circulation in the regular way or have placed it where many women carry their valuables.

THE State Journal says that Gov. Beckham has over 70 votes in the Legislature and that he will be elected United States Senator on the first ballot. So mote it be.

GOV.-ELECT A. E. WILLSON will dine with President Roosevelt at the White House to-day. The dispatches do not state whether or not Booker W. will be present.

### POLITICAL.

Henry Cosby has resigned as private secretary to Senator McCreary. He will locate at Caldwell, Idaho.

Leading democrats in Delaware are organizing a boom for Judge George Gray for the presidential nomination.

Gov.-elect Willson said in Washington that he did not expect to make any recommendations for Federal appointments.

Judge Lassing's majority was 1,570. This, in view of the fact that the same counties in 1905 gave only 1,230, and in 1904 only 760, is quite remarkable.

Officers of the Kentucky State Guard at a meeting in Frankfort, adopted a code of rules for the regulation of the guard, and also determined not to have soldiers at the inauguration of Augustus E. Willson unless Mr. Willson requests that a guard be provided.

State Treasurer Henry M. Bosworth, who was defeated as the democratic candidate for State auditor, is not worrying himself over the result of the election, says a Lexington dispatch. He says he will simply return to his Fayette county farm and go back to plowing.

The State Board of Election Commissioners met in Frankfort to canvass the returns from the election of Nov. 5, but as four counties had not sent in the official vote, an adjournment was taken until next Monday. A dispute has arisen in one of the mountain judicial districts and the courts will have to decide the question of who is elected.

The democratic sweep in Maryland means that John Walter Smith, a man of great wealth and a former governor, will succeed the late Arthur P. Gorman both as United States Senator and boss of the old Gorman organization. Young Arthur Gorman, who was elected State Senator, and carried Howard county, the home of Gov. Warfield, against him, will be one of Smith's chief lieutenants. Four years from now Gorman will probably be a candidate for United States Senator to succeed Isidor Raynor.

If all the skyscrapers in New York were one on top of the other, a building of 6,553 stories would rear itself toward high heaven. Compared to such a structure the tower of Babel would look like a mushroom. —New York World.

The ferryman at Rome, O., near Vanceburg, Ky., received notice that he will be blown up if he transfers any tobacco across the river. He will obey the order.

A special venire was ordered summoned from Madison county to try Fult French, John Smith and John Abner, charged with complicity in the murder of J. B. Marcum at Jackson.

On account of the large number of applications for pardons received at the executive office Gov. Beckham has issued a proclamation declaring that he will hear no more personal appeals, but will only consider the papers filed with his secretary.

Clarence Sturgeon, the Louisville murderer condemned to death, was granted a further lease on life when the Court of Appeals postponed a decision on the application to dissolve the injunction restraining the sheriff from hanging him, to give the attorneys time to file briefs.

Special Judge Morris, in the Caleb Powers case at Georgetown, dismissed one venire from Harrison county, but overruled the challenge to the other panel, which had been examined and from which five jurors had been selected as qualified. Another venire was ordered from Grant county and on motion of the defendant the sheriff agreed to act in person. A motion that Henry Youtsey and James Howard be taken to Georgetown as witnesses was overruled and the defense took exceptions.

### MATRIMONIAL.

Miss Effie Thurmond, daughter of Mr. and Mrs. O. J. Thurmond, of this city, and Mr. W. H. Haney, a law student from Shepherdsville, were quietly married yesterday afternoon at five thirty by Elder H. C. Garrison, pastor of the bride, at his home on Lexington avenue. The wedding comes as a surprise to the many friends of the young people in this city. Mr. Haney is one of the brightest young men in the law school and has many warm friends among the student body, while the bride is one of Danville's most attractive young women. They left on the six o'clock train for Cincinnati where they will be for a few days and will make their home in this city until Mr. Haney completes his studies. —Advocate.

Tobacco growers, not members of

of tobacco in 1908.

It is estimated that the potato crop

bushels and the winter price will be 10

per cent. higher than the highest fig-

ure reached in the retail market last

## IN MEMORIAM.

On Sunday morning, Nov. 10, as the

East was glowing to greet the rising

sun the Death Angel visited the happy

home of George O. and Susie Spoona-

more and took away their precious lit-

tle daughter, Margaret Frances. Her

stay on earth was so brief, lacking 12

days of being 14 months. The first and

only grandchild in the family, she had

so entwined her tiny fingers around the

hearts of all her relatives that it was

so hard to give her up. May the sus-

taining grace of our Heavenly Father

be granted to the bereaved parents.

Dearest Margaret, thou has left us,

And thy loss we deeply feel

But 'tis God Who hath bereft us,

He can all our sorrows heal.

Yet again we hope to meet thee

When our days on earth have fled,

But in heaven with joy we'll greet thee,

There no farewell tears are shed.

A FRIEND.

Mrs. Adlai Stevenson, wife of Former

Vice President of the United States

under Cleveland, in an interview recent-

ly expressed herself in decided terms

against President Roosevelt's race su-

icide theories. "Every thoughtful wo-

man in America has been startled by

the appeal of President Roosevelt for

larger families," says Mrs. Stevenson.

"While this appeal has been most ur-

gent I do not recall that there has been

one word in reference to the health or

life of the mother, nor has the ability of

the mother physically, mentally, mor-

ally, spiritually, or financially to rear

children been touched upon. "The

question should not be how many chil-

children, but what will be their condi-

tion and what kind of citizens they will

make."

## Lingering Cold.

Withstood Other Treatment But

Quickly Cured By Chamber-

lain's Cough Remedy.

"Last winter I caught a very severe

cold which lingered for weeks," says

J. Urquhart, of Zephyr, Ontario. "My

cough was very harsh and dry. The

local dealer recommended Chamber-

lain's Cough Remedy and guaranteed

it, so I gave it a trial. One small bot-

tle of it cured me. I believe Chamber-

lain's Cough Remedy to be the best I

have ever used." This remedy is for

sale by all Druggists.

In so far as the result of the election

in Kentucky is due to liquor men's

dissatisfaction with the course of the

democratic party on the liquor question

and throwing of the saloon vote to the

republican party, it will prove a barren

victory to the republicans. It will hurt

the republican party as a national or-

ganization and the temporary victory

of the republicans because of saloon

support, will in Kentucky itself cause

shortly the complete overthrow of the

republican party in that State.—Han-

over, Va., Herald.

A Reliable Remedy For Croup.

the only remedy for croup and can

highly recommend it." For sale by

A Mild Laxative

For Baby's Bowels

The infant or child should not be

given salts, purgative waters or harsh

pills or tablets when the bowels are

constipated, and neither should any me-

dicine be used that contains a narcotic.

It is well for mothers to remember

that there is no better, gentler or more

effective remedy for children's stomach

and bowel troubles than Dr. Caldwell's

Syrup Pepsin. Its purity and mildness

make it especially adapted to young

people's use. It works gently but sure-

ly, and containing, as it does, many

tonic ingredients, it not only cleans out

the congested bowels, but tones the sys-

tem and makes the child feel better in

every way.

Among the thousands who are using Dr.

Caldwell's Syrup Pepsin is Mrs. Spelling,

of Mayfield, Ky., and she writes that she

gives it to her baby regularly and that she

would not be without it. She has used it

herself for a long time and ought to know.

Mothers will find this an invaluable

remedy for old and young in constipation,

dyspepsia, liver trouble, diarrhea, colic,

worms, and many other ills that afflict the

stomach and bowels. It is guaranteed to

do what we claim, and by its use a home

cure at very little cost is easily brought

about.

Children are often troubled with skin

diseases, are backward in school, lose

weight and do not care to eat or play, when

all that is really the matter with them

is stomach trouble that Dr. Caldwell's

Syrup Pepsin will correct. Go to your

druggist to-day and buy a bottle and see

how quickly the child gets well again.

It is a good thing for the whole family to

use in stomach, liver and bowel complaints.

A 50 cent bottle has often restored an entire

family.

FREE TEST Those wishing to try Dr. Cal-

dwell's Syrup Pepsin before buying

is open to all who will send in a card

stating how long they have been troubled

what they have tried to do to get well.
